## IMPORTANT NOTE: FEI Events / CPE Credits

### Held and Completed **Before July 1, 2025**

- Under previous NASBA guidelines, completing an event assessment (survey) was required for CPE credit release.
  - If you completed an event assessment(s) before July 1, your earned CPE credits have been automatically transferred to your **MY EDUCATION** profile.
  - If you did not complete an event assessment(s) for an event where you are seeking CPE credits, those credits were not transferred to your **MY EDUCATION** profile. They are still available, but you'll need to contact FEI's CPE Support Team at [cpe@financialexecutives.org](mailto:cpe@financialexecutives.org).

Please include the information below with your request to ensure a timely response:

**Full Name**

**FEI Account ID#** (if known)

**Email Address**

**Event Type** (Chapter / Webinar / Conference)

**Event Name**

**Event Date** (Start Date, if held on multiple days)

### Held and Completed Events **After July 7, 2025**

- In accordance with NASBA updated guidelines, an event assessment (survey) **is no longer required** to meet CPE credit release requirements. Your CPE credits will automatically appear in your **MY EDUCATION** profile as soon as they're available (reviewed and processed by FEI CPE Administrator) - no additional action required.
