## President's Letter

Dear FEI Colorado Members and Strategic Partners:

Happy spring! Tulips and daffodils are starting to bloom (hopefully, this weekend's expected snow won't dampen their enthusiasm), and sunny days are lasting longer.

We held another great dinner meeting last month, and those who attended learned from Tom Cox at Wipfli about the importance of developing our leaders - it's an investment with a proven ROI. We also heard from Tim Hird at Robert Half and Chris Wright at Protiviti regarding top priorities for today's finance leaders.

Our April dinner event promises to be equally engaging, and we hope that you can join us!

**Here are the details on our upcoming events:**

**April 17th at Baldoria on the Water (4:00–7:00 p.m.)**

This is our annual Scholarship Awards night, and you won't want to miss FEI Colorado's recognition of four deserving college students. Tying into the education theme, our featured speaker is Naomi Boyd, Dean of the Daniels College of Business at the University of Denver. She will address the evolving landscape of higher education today. We will also hear from two leaders at RGP, Elon Friedman and Amy Mees, as they discuss how we can reinvent the future of work in Finance.

We are hosting two other special meetings in May that you won't want to miss:

**Bonus P.D. Session: May 5th at Top Golf in Centennial (4:00–7:00 p.m.)**

Vectra Bank will be sharing an update on the current M&A outlook. We will start with the professional development session and conclude with golf and networking.

**Breakfast Series Continues: May 20th at Moss Adams (7:30–9:00 a.m.)**

Join us to understand tax trends and policy changes stemming from the first 100 days of the new administration.

As a friendly reminder, we expect you to attend our monthly events once registered. We know, though, that "life happens," and occasionally, a last-minute work or family commitment or illness prevents you from joining. If that happens, we would like to ask you to please notify our chapter administrator at [colorado@financialexecutives.org](mailto:colorado@financialexecutives.org) or (973) 765-1040 as soon as possible. We make financial commitments for our events for food and beverage, space, etc., and we don't receive reimbursement from venues for no-shows. We endeavor to keep our local chapter dues as low as possible, but we can only do that with your help. We have not enforced our no-show policy, which requires payment if you do not attend and have pre-registered, but we will do so going forward as needed.

If you are looking to get more value from your FEI membership, consider joining a committee. We have openings within Membership, Programming, Communications, Scholarships, and Strategic Partners.

I look forward to seeing you on April 17th - registration is open!
